

# Annual K-9 Kool-Off

## Friday, September 8th

This event is a blast for you and your pooch and proved to be a howl of a good time! Ashburn Farm residents are invited to register their licensed and vaccinated pups who are 6 months and older. For multi-dog owners, we allow 2 dogs per human. Dogs must remain on leashes outside of the pool area, and must be under voice command at all times. This is a K-9 Kool-Off, so only dogs are permitted to get into the pool. Owners are responsible for picking up after their pets. To accommodate for more participants, we will have 2 swim sessions. The first will be from 5:30 pm to 6:15pm. The second is from 6:30 pm to 7:15 pm. If you would like to sign up for both you would have to pay for both, but our pup participants tuckered pretty quickly at previous events! ALL profits made from this event will be going to Friends Of Homeless Animals who work tirelessly to find dogs and cats a forever home.

Please mail or drop off your registration and \$5 per dog to  
21400 Windmill Drive, Ashburn, VA 20147

A waiver must be signed before participation.
